

**BOISE STATE UNIVERSITY**

---

**SCHOOL OF PUBLIC SERVICE**

**The Vision of the School of Public Service is to:**

- Empower students to become innovative and responsive public service leaders within local, state, national, and global communities.
- Achieve national and international recognition for relevant theoretical and applied research.
- Promote and facilitate informed discourse and civic engagement across diverse groups.
- Serve as a recognized and trusted resource for policymakers searching for effective solutions to pressing public concerns.
