

SUNBURST

**Recommended Number
of Colors:**

2 - 4

Step 1

Pinch the fabric in several areas and secure with rubber bands. You should have 1 inch tall sections spread across the fabric

Step 2

Repeat step 1 until your desired number of sunbursts is reached. Add more rubber bands underneath originals to add more colors to the sunburst

Step 3

Now apply the dye! Remember to apply it to the top of the fabric sections first

Step 4

Once you're done applying the dye, place your item as-is in a plastic bag. This will keep the cloth damp and allow it to process

Once you are done designing make sure to grab a zip lock bag and take-home instructions from a MakerLab staff member
