

**Jayne Josephsen, EdD, RN, CHPN**

**Phone: 208-921-4549**

**E-mail: [jaynejosephsen@boisestate.edu](mailto:jaynejosephsen@boisestate.edu)**

**Education**

Ed.D, Curriculum and Instruction, Boise State University, Boise, ID, 2015

MS, Nursing Education, Idaho State University, Pocatello, ID, 2008

BS, Nursing, Boise State University, Boise, ID, 2006

BS, Sociology, Oregon State University, Corvallis, OR, 1987

**Teaching Experience**

Associate Professor, Boise State University, Boise ID, 8/2006 to present.

NURS 428 Nursing Roles and Healthy Aging (2 credits/hybrid) 2016 to present, Student number 56.

NURS 430 Special Topics: Hospice and Palliative Care (1 credit/online and live), 2015 to present. Student number ranging from 25 to 63.

NURS 597 Care Coordination (Graduate level), 2015, Student number 3.

NURS 422 Care Coordination (3 credits/online) 2014 to 2015, Student number 23.

NURS 497 Clinical Preceptorship (3 credits, clinical/simulation) 2014 to present, Student number 13.

NURS 343 Medical Surgical Clinical (1 credit/simulation) 2014. Student number 12.

NURS 428 Nursing Roles and Healthy Aging (2 credit, online) 2013 to 2015. Student number 17. Lead Faculty from 2013 to 2014.

NURS 397 Preparing for the Online Learning Environment (1 credit, online) 2010 to 2013. Student number ranging from 3 to 7.

NURS 416 Public and Community Health Nursing Didactic (3 credits, online), 2010 to present. Student number ranging from 22 to 27. Lead Faculty from 2010 to 2014.

NURS 417 Public and Community Health Nursing Clinical (3 credits, online and live), 2009 to 2013. Student number ranging from 11 to 13. Lead Faculty from 2009 to 2013.

NURS 305 Managing Client Care Preceptorship (2 credits), 2006 to 2010. Student number 15. Lead Faculty.

NURS 300 Professional Concepts of Care Management (1 credit, online), 2008 to 2010. Student number ranging from 20 to 27.

NURS 334 Behavioral Health Nursing (3 credits), 2008 to 2010. Student number ranging from 65 to 70. Co-Faculty.

NURS 229 Health Assessment Lab (1 credit), 2008. Student number ranging from 10 to 15.

NURS 123 Health Assessment Lab (1 credit), 2007-2008. Student number ranging from 10 to 15.

NURS 105 Skills Lab (2 credits), 2006-2008. Student number ranging from 15 to 30.

Adjunct Faculty, Utica College, Utica, NY, 2012 to 2014.

Palliative Care Nursing (2 credits), 2014. Student number 12.

Professional Concepts (3 credits), 2012 to 2013. Student number ranging from 10 to 15.

Community and Public Health Nursing Didactic and Clinical (3 and 1 credit respectively). 2012 to present. Student number ranging from 10 to 15.

Facilitator, Northwest Rural Nurse Residency Program, Pocatello ID, 2008 to 2011.

Critical Thinking, Teaching and Learning, Communication, Team Building, Role Socialization, Preceptor as Teacher, and Delegation modules delivered via WebEx to rural nurses.

Facilitator, Rural Connections, Boise ID, 2006 to 2009.

Train the Trainer program Delegation and Critical Thinking modules

### **Nursing Experience**

Care Transitions Coordinator, Saint Alphonsus Home Health and Hospice, Boise, ID, Feb 2014 to June 2016.

Provide support and information to clients who are considering home health or hospice.

Develop community partnerships and provide public relations to support company development

Provided supervision and training to juvenile girls with emotional disturbance.

### **Leadership/Organizational Participation**

#### ❖ Member

- The Hospice and Palliative Nurses Association
- The American Society for Pain Management Nursing
- Quality of Life Coalition

#### ❖ Committee Involvement

- Chair, Curriculum committee
- Masters in Nursing Education Development committee member
- Care Coordination Certificate Development committee member
- 7/8 semester committee member
- Search committee member
- Curriculum committee
- International Education committee

#### ❖ Offices

- Faculty Advisor, Crosswalks Coffee: A Campus Ministry to Boise State University

### **Grants/Fellowships**

- Statewide Healthcare Innovation Plan, Co-Investigator. 2016. Submission accepted. 3 year \$2.9 million contract.
- Improving Patient Safety Through Virtual Reality Simulation, 2015. Co-Investigator. Submission Under Review.

- Multi-Patient Simulation Use and Development of Prioritization and Delegation Skills, Principal Investigator, Co-Investigator Ann Butt. 2014. Research Completed. Boise State University Center for Teaching and Learning Grant \$3500. Manuscript Published.
- Online Preparatory Course Effectiveness, Co-Investigator, Principal Investigator Dr. Schrader. 2/2011 to 12/2011. Research Completed. Boise State University Teaching Innovation Grant \$5000, Manuscript Published.
- Integration of End of Life Care in Curriculum and Simulation Development, Co-Investigator, Principal Investigator Martz, Kim. Dates: 3/2010 to 9/2011. Research Completed. Boise State University Center for Teaching and Learning Grant \$2500, Manuscript in Press.
- Health Information Technology Scholars Program, Scholar. 1/2012 to 12/2012. Funding provided by University of Kansas and HRSA grant. Project Completed. Poster and Symposium Presentation, Manuscript Published.
- Gerontological Faculty Scholars Program, Scholar. 8/2012 to 11/2012. Funding provided by the Hartford Center for Geriatric Nursing Excellence. Program Completed. Symposium presentation.

### **Clinical Leadership**

- Faculty Mentor, Evidence Based Practice Fellowship, 2015-2016, St. Luke's Hospital System, Boise ID
- Development and consultation to Rural Connections for continued facilitation of Train the Trainer course and development of applicable materials to enhance precepting nurses skills and retention of new nurses.
- Development and facilitation of educational materials for Northwest Rural Nurse Residency Program to engage rural nurses in continuing professional education and to positively affect retention and recruitment of rural nurses.
- Maintenance of National Hospice and Palliative Care Nursing Certification.

### **Educational Leadership**

- E Campus Quality Matters™ course reviewer
- Invited Manuscript Reviewer, *Syllabus*
- Adjunct Faculty Mentor, Graduate and RN to BS Program
- Educational Committee Member, Quality of Life Coalition, Boise ID
- Introduction of innovative educational instructional strategies at Boise State University, Boise ID
  - E-portfolio
  - Blogging
  - Evidence Based Course Development

- Evidence Based Assignment Development
- Use of Knowledge Surveys to ascertain course effectiveness
- Simulation Development
  - Behavior Health
  - End of Life Care
  - Transition to Practice
- Course Development
  - Nursing Roles and Healthy Aging (online/hybrid)
  - Special Topics: Hospice and Palliative Care (online/live)
  - Community and Public Health Nursing Online Clinical
  - Care Coordination Course for Masters in Population Health (online)
  - Online Preparatory Course

### **Research Interests**

- Online Instructional Design and Strategies
- Evidence Based Nursing Education Strategies
- End of Life Care Competencies for Graduate Nurses
- Use of Simulation in Education

### **Awards/Honors**

Daisy Award Nominee, St. Alphonsus Regional Medical Center, Boise, Idaho, 2013.

Best Paper Award, Clute International Academic Conference, Las Vegas, Nevada, 2011.

Everyday Angel, St. Luke's Medical Center, Boise Idaho, 2010

Best Practice Award, St. Luke's Medical Center, Boise Idaho, 2007
